### Loan Information:

- Currently there is a state adoption assistance loan for up to \$3,000 to help with adoption costs if the child is an Ohio resident and up to \$2,000 if the child resides outside Ohio. This is available after the completion of a homestudy and the family is matched with a child who is ready for adoption. The family must also meet the requirements of the financial institution (Fifth Third Bank). CFK will give you the required documents to apply for this loan upon request.
- Chase bank provides information on a reduced interest rate for general adoption loans.
